

PL Kit Ordering

All athletes will require the full kit which is specified below on a squad by squad basis.

Please note: in accordance with the ARENA sponsorship agreement no other items of clothing may be worn at any swimming competitions or club events.

After you have emailed your order back to us, the kit invoice will be placed on your Swim Manager account for immediate payment. send to plshop@plymouthleander.com.

The club keeps a small surplus of essential stock but not complete sets in all sizes. Therefore, we will attempt to fulfill your order immediately with what we have and place the balance on back order.

Sizing We cannot be responsible for sizing problems once kit arrives; a sizing chart is included on the order sheet to guide you. We will however carry a small range of garments in some sizes and if we can help of course we will.

Poolside T – Shirts For athletes who compete, essentially all swimmers 9 years old or over as, both a Blue and a Grey poolside T Shirt are required. This is because it is club custom to wear 'Blue' on Saturday and 'Grey' on Sunday, or in the case of competitions with heats and finals, 'Blue' is worn for the heats and 'Grey' is worn for the finals.

For our youngest swimmers, under 9 years of age, it is sufficient just to have a 'Blue' poolside T shirt as they will only be required to wear at our in-house Junior Splash events.

Some senior athletes attending National and International events may choose to order more than one set of T Shirts.

Travel T – Shirts Travel T Shirts are to be worn travelling to and from competitions and at training camps as the Blue and Grey T Shirts become wet whilst wearing poolside.

Naming Absolutely no customising of kit is allowed. Should the club decide to customise any kit we will make arrangements to do so and notify members accordingly.

Compression leggings Separately supplied by Swimzi. Only PL branded leggings (Swimzi) will be approved kit. See order sheet.

Swimsuits We encourage all athletes to order 1 ARENA swimsuit, jammer or brief for warm up at competitions, or for competing if you don't yet use a race suit.

Swim caps/Race caps We don't mind what combination of caps are chosen provided you order the correct quantity as per the table below.

Please note that there are two variants of the ARENA RACE CAP: '3D Race' will suit athletes with shorter hair whilst '3D Ultra' will accommodate longer hair. Race caps are not generally recommended for younger swimmers and are an incredibly tight fit.

You may have your sur name printed on your caps, please indicate if you would like this on the order sheet.

Support Team Kit We would love to see as many of you in supporters' kit, please see separate order sheet.
